

WEAPONS

THE ROLL

Attack = d20 + primary + training (if trained) vs. ARMOR

Damage = weapon die + material + primary

- **Your one primary ability powers every attack** — weapon and spell. Training → the hit; material → the damage.
- **Crit (nat 20):** double the dice; flat mods once. **Fumble (nat 1):** miss + a complication.

WEAPON CLASSES

Class	Die	Hands	Range	Notes
Light	1d6 (1d4 dagger)	one	Close	throwable, concealable; dual-wield steps die up
Medium	1d8	one	Close	shield-compatible
Heavy	1d10	two	Close	no shield; Set to Strike (plant)
Ranged	1d4–1d10	1–2	Near/Far	not usable in heavy armor

WEIGHT RULES

- **Set to Strike:** on a turn you *move and attack*, a **heavy weapon** or **heavy armor** → that attack is at **disadvantage**; **both** → move *or* attack, not both. Stand still = strike normally.
- **No ranged weapons in heavy armor.**
- **Dual-wield (two light):** die steps up one — 1d4→1d6, 1d6→1d8. Both hands (no shield), still one attack. = medium damage, mobile + throwable.

RANGED (USES YOUR PRIMARY)

Weapon	Die	Range	Notes
Shortbow	1d6	Near	
Longbow	1d8	Far	
Light crossbow	1d6	Far	reload uses move
Heavy crossbow	1d10	Far	two-handed, reload
Hand crossbow	1d4	Near	one-handed
Sling	1d4	Near	
Thrown (dagger/axe/spear)	1d6/1d6/1d8	Near	

Beyond range: disadvantage; double range: can't. Ammo not tracked.

MATERIAL LADDER — METAL / STONE (adds to DAMAGE)

Gr	Material	Tier	+Dmg	Price*
1	Iron	Apprentice 1–3	+0	10g
2	Steel	Apprentice 1–3	+1	30g
3	Dwarven	Veteran 4–7	+2	150g
4	Orcish	Veteran 4–7	+3	400g
5	Ebony	Master 8–10	+4	1,200g
6	Daedric	Master 8–10	+5	3,500g

**Two-handed ≈ 1.5× · daggers/slings ≈ ½. Same ladder governs HEAVY ARMOR.*

REMEMBER

- **Material** → **damage only**, never the attack roll (keeps accuracy bounded at d20+9).
- Material is **mundane masterwork, not magic**; the material *is* the quality tier.
- Light = flexible sidearm / dual-skirmisher · Medium = shield + solid damage · Heavy = max damage, planted.

WORKED EXAMPLES

- Knight, Might +5, **Steel** greatsword (heavy): atk **+8** → 1d10 +1 +5 (planted).
- Duelist dual-wielding **shortswords**: 1d6 →**1d8** +1 +primary, mobile, no shield.
- Ranger, Agi +5, **Steel** longbow: 1d8 +1 +5 — free to move & shoot (light armor).
